The Legacy of Blessed Trinity is a true gem that you have embraced and placed in your hands, and are continuing as you build The Kingdom of God. Today is my privilege and opportunity to announce the dream in that legacy of a Family Center that is coming true. Everyday has given you a new beginning that involves yourselves being more intimate in the Life and Love of Christ.

In the *Home of my Family*, our faith community, **you** have made dreams possible and have been part of accomplishing all that you have. It is **you** that will be the vital instrument in this venture. It is **you** that have not sat back and let opportunities pass you, but instead you have taken that leap of Faith.

Now, in 2016, let us go forth with this goal and affix our eyes upon Christ and his Blessed Mother, as the Spirit once again leads us.
