The World Apostolate of Fatima USA is continuing the Fatima Tour for Peace with the world-famous International Pilgrim Virgin Statue of Our Lady of Fatima, to bring the message of peace to a world in need.

Our goal for this campaign is to allow Our Lady of Fatima to claim her dominion over our country, enliven in people a sense of prayer and personal holiness, and ignite a sense of hope and confidence in the Blessed Mother, who loves and desires our peace. We also want to bring the graces of Fatima to the American people and help a new generation learn, live and spread the message of Fatima, a message that reinforces to Catholics the Real Presence of Jesus in the Blessed Sacrament, the power of praying the Rosary, and the value of suffering for the conversion of sinners.

The Fatima Tour for Peace is a call to millions of people to once again take up their rosaries and acts of penance to defeat the evils of our times, and to consecrate themselves to the Immaculate Heart of Mary because prayer is more powerful than any army on earth. The World Apostolate of Fatima requests that you pray and do penance for the success of this tour, a crucial part of this campaign.
